

# TAMARAK'S TINY TOTS

## SUMMER CAMP 2023

New for the summer of 2023, Tamarak will be offering a camp for **Tiny Tots**. This is a wonderful opportunity for parents/caregivers to meet and spend time with other adults and their children in a safe and nurturing environment.

This camp is offered on **Mondays for children 6 months to 18 months old** along with their parent or caregiver and on **Wednesdays for children 12 months to 23 months old** along with their parent or caregiver.

Begin each class socializing with other parents/caregivers of children of a similar age. Led by experienced Tamarak teachers, transition into activities designed to enhance cognitive, social/emotional and gross motor development.

*Gross Motor Development:* tummy time, crawling, dancing in your arms, sliding down a slide on a soft blanket and other physical activity stimulate gross motor development, problem solving skills and spatial awareness.

*Cognitive Development:* sensory play, songs, rhymes, chants and music of all kinds supports language development, memory and communication skills.

*Social/Emotional Development:* a warm, safe classroom environment with other caring adults promotes social and emotional learning.
