

TRAILBLAZERS ACTIVITY SELECTION

Summer 2017

Tamarak's Co-Ed Junior High Camp

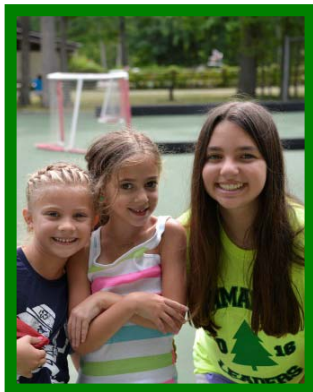

Looking for a quality camp for your Junior High School child to spend their summer?
Tamarak's Trailblazers is just the place!

Campers entering 6th, 7th, and 8th grade can enjoy their summer as a Trailblazer with their choice of four two week sessions. Trailblazers spend part of their day either in a Specialty Exploration or in the Tamarak Leaders program. The rest of their day is spent participating in a variety of adventures in and out of camp including favorite camp activities, outings, and community service.

Campers who select Tamarak Leaders will have the opportunity to build leadership skills through participation in training and mentoring younger campers.

Yes, please include me!!!

This term will have a different format than terms 1, 2 and 3. Term 4 will be a “day tripping” format with a three days / two nights overnight trip. This term will include activities such as:

- Extended day trips that include team building, high ropes and nature activities
- Trips to local water parks
- Community service day
- 3 days / 2 nights trip to Lake of the Woods/Greenwoods Camp in Decatur, MI

This is just to name a few of the activities campers will enjoy during the two week term. This is a fun and exciting way to extend your sixth, seventh and eighth grade campers' day camp experience.
