

The Astro Post

Week 6 July 24 - July 28

Our Wonderful Week

Week 6 of the camp season marks perhaps the favorite day of the whole summer for many campers and counselors alike. Every summer campers dress up in their favorite costumes and enjoy all the glitz and glamour of Carnival Day. The Astros celebrated Carnival Day by running their own carnival games and walking around camp testing their skill and luck at all the whacky games and winning all kinds of outstanding prizes. In addition, no Carnival Day is complete without an appearance from Mr. and Mrs. Tamarak and camp favorite Princess Pat.

The fun of Week 6 wasn't just reserved for Carnival Day. On Wednesday, the whole Tamarak family enjoyed the annual Tie-Dye day as each group at camp showed up in their own uniquely-colored shirts. At Arts and Crafts, the Astros showcased their creative skills coloring and designing clay tiles. It was also another great week down at archery as the Astros racked up all kinds of bullseyes and gold cards.

Check back next week to find out about what happened during Olympic week.

HIGHLIGHTS OF OUR WEEK
