

The Bluejay Bulletin

Week 6 July 24 - July 28

Our Wonderful Week

This week was filled with tons of fun activities! The girls have been working very hard at their optional choices, especially those in drama, set design, and dance. They have been getting ready for the play that is themed “Under the Sea.” The show is next Friday! After the play, those in dance get to perform the dance they have been working on. On the athletic field, we have been playing different carnival activities to get in the spirit of carnival day and prepare for balloon-a-thon which takes place next week! In magic, we have learned some really neat tricks. We had a blast at our outing. We went down the tube slides, relaxed in the lazy river, and swam in the pools with our friends! We had our second and last sleep over for the summer ☺ We had a third swim, ate dinner, went on a scavenger hunt, decorated the B-Boys clubhouse, did a craft, watched a movie and had Dave’s famous pancakes for breakfast!! Friday was carnival day! It was awesome seeing all the Bluejays dressed up in their fabulous costumes! The girls got to be in charge of their BG group game, as well as play a ton of different carnival games and win prizes. The Bluejays have been focusing on teamwork, responsibility, and respect this week in Justin’s Jump Start program and using these skills in other activities. I love seeing how the girls have grown more confidence, having respect for others, and showing leadership skills! Keep it up!:)
