

The Daily Dodger

Week 6 July 24 - July 28

Our Wonderful Week

Hello Dodger Families!

Week six was a great one full of sun, fun and lots of activities.

The beautiful weather only made the Dodgers' time in the pool even better! The campers are working hard in their swimming groups and you should see a report coming home on Monday. Please remember you can visit your camper during swim time. If it is a special event day at camp, please call first to confirm your child's swim schedule.

On Wednesday, the entire camp became covered with colors for the annual Tamarak Tie-Dye day. It's such an amazing site to see all the campers in their tie-dye colors. The Dodgers wore their blue and green shirts proudly!

This week in Science the campers learned about simple machines. In Challenge, the Dodgers took part in different climbing activities, such as slack line and traverse walls.

Friday ended with Carnival Day. Campers showed off their costumes while taking part in games around camp. It was a stellar ending to a fantastic week at Tamarak!

Have a great weekend!
