

The Munchkin 1 Message

Week 6 July 24 - July 28

Our Wonderful Week

Dear Parents,

Week Six in the Super Stingrays has been a blast. We practiced working together at Challenge, we learned about and built simple machines in Science, and we practiced sportsmanship in Basketball. To top it all off, we had an amazing Carnival Day on Friday. There were so many creative, camper-run games that the Munchkins were able to play, and we earned cool prizes while doing so. It was so much fun to see what all of the older campers came up with for their contribution to Carnival Day. It has been yet another amazing week in the Stingrays, and we are looking forward to more!

Sincerely,

Ben, Nicole, Abby, and Conor

HIGHLIGHTS OF OUR WEEK

- One highlight for the campers had to be Carnival Day on Friday. We had so much fun playing all the games the older campers had to offer!
- A highlight for the counselors was definitely seeing your campers work so well together while we were practicing teamwork and good listening at Challenge and Tamarak Spirit.

REMINDERS

- Next week is Olympic Week!. We will be wearing our team color—red--on Thursday and Friday.
- Swimsuits go home every Friday to be sent back to camp each Monday.
- The Trailblazers are collecting new and gently-used books the next two weeks. They are hoping to collect 1,500. If you would like to donate, please send books with your camper.
- Wednesday August 2nd – camp will be closed to visitors from 1:00-2:30 pm for a special event.
