

The Munchkin 5 Message

Week 6 July 24 - July 28

Our Wonderful Week

Carnival fever has grabbed a hold of your Super Sea Turtles this week. Each day started off with all Munchkins singing, *"Bingo Was His Name-O"* at morning line-up. This week at Arts & Crafts with Kate we decorated some hilarious clown puppets and some refreshing looking soda drinks. We ventured into the wilderness and went on a bear hunt while at yoga with our fabulous yoga teacher Jessica. Victoria helped your Super Sea Turtles create some incredible grabbers at science. During music with Marci and Andy we sang a special carnival themed version of *"Guess What I Am"*. On Friday the carnival arrived at Tamarak giving all Munchkins the chance to walk around and try out the various booths for an opportunity to win a prize. The fun never ends here at Tamarak!

We hope everyone has a fabulous weekend!
