Week 1 June 19 - June 23

Our Wonderful Week

Dear Parents!

Hi Alouette families! My name is Jen Bertram and I am the Unit Leader for Summer 2017! I am so excited to be a part of Tamarak and a part of your children's lives. Every week I will be writing a newsletter accompanied by lots of fun pictures.

The A-Girls have been great this week! They come in each day with such big smiles and enthusiasm to start the day. Friendships have already starting to form between every camper. They all have been paired up with a buddy in their group and will have a different buddy each week! This way all the girls get to know each other. I am also astonished by how the A-Girls have already been setting great examples to the younger campers. When it started to hail on us the girls acted calmly which helped out the younger girls. In the pool they are always quick to get changed so they can spend as much time learning in the pool. In just the first week each and every camper has already started progressing in their swimming abilities. They even got to show off their swimming skills at Hidden Creek Water Park. Every single camper had a great time this week and it has really set the tone for the rest of the summer!

Looking forward to a great summer!

Jen Bertram, Alouette Unit Leader

HIGHLIGHTS OF OUR WEEK

- On Thursday we got to celebrate Laura Rodrigues-Rios birthday!
- On Friday we got to celebrate Sydney Kleiman's birthday!
- The girls got to make friendship bracelets during Arts and Crafts.
- During Science the girls got to learn about how silly putty was made and got to make some of

REMINDERS

- On outing days have your camper wear yellow shirts and bathing suits to camp.
- Tuesday is our first A-Girl Overnight. You won't want to miss it!
- Wednesday's is Tamarak spirit day, so have your camper get decked out in Tamarak clothing.

If you have any questions, please call the Camp Office at 847-634-3168
