

# The Bluejay Bulletin

Week 5 July 17 - July 21

**It's been a splashtastic, tie-dying, nature kind of week!** We were the first group on camp to find a Golden Nugget. Way to go Jayden! Being the beginning of the second half of the summer, we traveled to all the optional choices to see what was in store! The girls got to choose which optional they would like to attend for the rest of camp and many got their first choice! We learned that the play is taking place **under the sea!** Many of our friends are excited to participate and create costumes for it! On the athletic field, they are going to be playing many different games, playing with giant beach balls, and doing tug of war! In dance, the girls will be working on learning different styles of dance and making up a dance. We had a great time in science learning about and making volcanic eruptions. We used our team building skills in challenge. During Justin's jumpstart program, we learned how it is not always important if you are the fastest and or win or lose, it's about working as a team and having fun. In tennis, we made some homeruns as we played tennis baseball. In spirit, the girls did stunts and got to perform in front of the A and C girls! We had a *rockin'* time in nature as we learned about different rocks and got to do the rocket launch. The Bluejays helped me create an award for our fabulous counselors, as we want to recognize them for all that they do. We created a "*campers caught you*" award! The Bluejays get to choose a counselor or two each week to give the award to, who they think has demonstrated leadership skills, being a great role model, enthusiastic, having a positive attitude, lending a helping hand and going above and beyond. We have had a fabulous week and can't wait for

## HIGHLIGHTS OF OUR WEEK

- Ask your camper which optional they chose!
- We were the first group on camp to find a Golden Nugget! YAY!
- Tied our Tie-Dye shirts

## REMINDERS

- Make sure you bring back extra clothes and swim suits!
