Week #1

Our Fabulous Week

Dear Parents,

My name is Tasha and I am the Bluejay Unit Leader! Each week I will write a newsletter to keep you updated on what fun and exciting things we are doing here at camp! We have had a fabulous and fun first week! It was Tamarak Spirit week and the girls have come to camp with a smile on their face, wearing their Tamarak gear, and ready to start the day! They have also been having a blast getting to know the girls and counselors in each Bluejay group, and the Tamarak staff. At the beginning of the week we got to go to each optional activity, which includes dance, drama, set design, and athletics, to get a glimpse of what they could be doing for the next four weeks. The girls then gave me their top two choices and found out on Friday, which optional they will be attending. Along with optional activities we also participated in many different activities such as: Challenge, Science, Arts & Crafts, Jump Start, Magic, Taekwondo, Athletic Field, Music, Nature, Archery, Tennis, Sport Court, Basketball, and Yoga. In swimming, the Bluejays were divided into swim groups of 3-5 girls. In these groups the girls began to learn skills such as breaststroke, butterfly, elementary backstroke, diving, front crawl and more. The swim reports will be sent home on Fridays of weeks 2, 4, 6, and 8. We are looking forward to a fabulous summer!
