

The Braves Beat

Week 8 August 7 - August 11

Our Wonderful Week

Dear Parents:

This week was our eighth and final week, and as always, we had a great time! On Monday and Friday, the Braves continued to participate in the optional activity they had chosen. These optional activities included: dance, drama, set design and athletics. On Tuesday, the campers had a blast going on our final outing to Barefoot Bay Water Park in Mundelein. The water park was a nice way to enjoy these last, beautiful summer days. Then on Wednesday, the Braves had the opportunity to compete with and against their female counterparts in multiple swimming races. The Bluejays (B-girls) and the Braves demonstrated incredible skill and sportsmanship throughout the competition. Lastly, the Tamarak staff, the Braves' counselors and myself would like to thank you for giving us the extreme pleasure of getting to share our summer with your camper/s. I think I can speak for all of us at Tamarak when I say that it was an amazing summer, filled with fond memories that will stay with staff and campers alike for a very long time. We would like to thank you for all of your support and wish all of the campers good luck with the impending school year. We hope to see you again next year!
