Week 4 July 10 - July 14

## Our Wonderful Week

Dear Parents,

We had another very eventful and fun week at camp! The girls were unbelievably flexible with the weather and had a blast going to new activities and playing games. Between thunderstorms during the overnight, and a trip to the movie theatre on Wednesday, the campers had several unique and fun days at Tamarak!

The overnight was full of laughs in the pool, conversation in the Pavilion, and smiles during Arts and Crafts and the movie. The Cardinals also played the Screaming Game which seemed to be a favorite! I am sure the campers came home with plenty of stories and happy memories. Overall, the girls really enjoyed spending more time at camp with their friends and counselors.

It was also Swim-O-Rama Week at Tamarak! All the campers were divided into four groups; Alligators, Penguins, Sea Lions, and Whales. Each group had their own cheer, which was practiced throughout the week. On Friday, the girls sang their group song and competed in several swimming heats against their peers! The Cardinals loved the friendly competition and showed outstanding sportsmanship throughout the event!

It has been another terrific week of camp and I look forward to the rest of the summer with these awesome girls! They make each week amazing!
