

The Cardinal Chronicle

Week 5 July 17 - July 21

Our Wonderful Week

Dear Parents,

What a week the CARDINALS had! It was Tie-Dye and Nature Week at Tamarak, so the girls made their colorful shirts during Arts and Crafts. They also searched each day for Golden Nuggets, which several of our campers were lucky enough to find. It was amazing to see the excitement and support the CARDINALS showed other campers while looking for Golden Nuggets!

During Challenge, the campers went on the climbing wall for the very first time! Although several of the girls were afraid, they faced their fears and had a blast giving it a shot. I was very proud of their willingness to try something new as well as their positive attitude. The girls cheered on their friends and counselors nonstop!

Overall, the girls have been doing an incredible job at each of their activities. They learned about volcanoes in Science, sang beautiful songs in Music, and practiced new skills in Tennis. They worked on several shocking tricks in magic, including how to give hints for an optical illusion, which they enjoyed. From Dance to Jumpstart, Nature, and Archery, the girls go to each activity ready to learn and have tons of fun!

The summer is going by fast but the CARDINAL girls seem to be loving every minute of it! I look forward to the rest of camp with these amazing girls!
