

The Daily Dodger

Friday, June 23 and Week 1

Our Fabulous Week

Dear Parents,

The Dodgers have had an amazing first week of our 2017 camp season.

Campers took part in many team building activities to get acquainted with each other.

They have already enjoyed swimming, Taekwondo and learning relaxation techniques in yoga. Even a bit of rain didn't damper our spirits or activities.

Swimming has started off well and the Dodgers are busy working on their skills. Swim reports will come home next week.

Returning and new campers have done an outstanding job at participating in all activities.

We're looking forward to a fantastic summer ahead!
