

The Daily Dodger

Week 7 July 3 - August 4

Our Wonderful Week

Hello Dodger Families!

Olympic week is by far one of the best weeks at Tamarak.

The campers were greeted on Monday morning by opening ceremonies for the Olympics. At that time, all of the campers were divided into four countries: Ireland, France, Argentina and Sweden. Throughout the entire week, the teams competed in events, allowing the campers to interact with all age groups.

The Balloon-a-thon activity on Wednesday is always a big highlight. Each team tried to get as many balloons as possible from around camp into their own goal. However, the infamous Unit Leaders and swim staff in black tried to sneak up and pop balloons. It's always a mystery where they will be hiding! Each country was awarded points for each balloon it successfully got back to their own goal.

The Dodgers also had their last outing to Butterfield School. This week's activity featured Scooter City! Campers got to scoot around a pretend city. The city included stores, a gas station, a bridge, a movie theater, a raceway and more. Ask your camper about his outing.

On Thursday and Friday, the entire camp wore their country colors and showed true camp spirit! The entire camp participated in song and cheer and tug-a-war competitions.

Thank you for entrusting your camper with us!
