

# The Daily Dodger

Week 8 August 7 - August 11

## Our Wonderful Week

Hello Dodger Families!

It's hard to believe that this was our last week of camp. What an amazing summer we had here at Tamarak. This week was topped off with great weather, Tamarak spirit and lots of fun.

In Science, the campers learned about gravity. They conducted different experiences working on the concept. For example, they dropped balls of various sizes from the same height and observed if they fell at the same speed or at different speeds.

Wednesday was the Boy Girl Swim Meet which is always a highlight of the summer. The Dodgers faced the Doves in the pool for a variety of races and games. Campers who wanted to race got to participate in at least two events. It was fantastic to see the progress that every single Dodger has made in the pool since the beginning of camp. Every camper left the meet with ribbons. It was a great time had by all!

We also visited the Cub clubhouse so the campers could see where they would be next summer.

We are hopeful that your camper has embraced all that camp has to offer. It has been a pleasure getting to know your Dodger.

### HIGHLIGHTS OF OUR WEEK

- Boy Girl Swim Meet!
- Visiting the Cub Clubhouse.

### REMINDERS

- Final swim reports were sent home in each camper's final packet.
- The link to the Parent Survey was sent via email. We would appreciate it if you would please take the time to fill it out.
- Have a great rest of the summer and we hope to see your campers next year!
