

The Daily Dodger

Week 5 July 17 - July 21

Our Wonderful Week

The second session of Tamarak has begun! We welcomed 14 new campers to the Dodger family and they have jumped right into the fun.

We have had an outstanding week here at Tamarak. This week was special because it was Nature Week. Every year at this time, Ralph hides Golden Nuggets around camp for the campers to find. When they do, they get a special prize. Also during Nature Week, campers take part in tie-dyeing Tamarak T-shirts. Be sure to check their bags this week for the shirt and washing instructions. Campers should wear their new shirts to camp next Wednesday and will see that every age group has a different color. It's a sight to see.

The Dodgers had their third outing and it was fantastic. Campers spent the time playing various parachute games.

This week in Science the campers made putty. In Jump Start, the Dodgers are working on team building and problem solving. Ask your camper about crossing the basketball court by only stepping in three hula hoops.

In swimming, campers are continuing to work on their skills and they love their time at the pool. Remember you can come and see your camper swim any time at camp. Just call first if it's a special day on the calendar.

Have a great weekend!

HIGHLIGHTS OF OUR WEEK
