

# The Eagle Eye

Week 5 July 17 - July 21

## Our Wonderful Week

Dear Parents,

This week was Nature/Tie Dye Week! How groovy!

The Eagles started off the week by looking around the Tamarak grounds for golden nuggets hidden by Ralph, our Nature Specialist. The nuggets were so difficult to find!

Our campers also tied their new white Tamarak t-shirts during Arts and Crafts using rubber bands. The specialists at Arts and Crafts are going to dye them for us and then we will be able to wash them at home and wear them to camp this coming Wednesday!

We have really enjoyed having the Eagles trace and decorate their counselor's body using sidewalk chalk during our free time. The tracings look just like them!
