

The Expo Express

Week 4 July 10 - July 14

Our Wonderful Week

SWIM-O-RAMA 2017!!!

What an eventful Week Five it has been! On Monday, each E-Group was assigned a swim team (Alligators, Penguins, Sea Lions or Whales). We then had our first swim team meeting at the end of camp in which campers began to learn their team's cheer and song. I encourage you to have your son show off his cheer and song. The songs have Tamarak-themed lyrics to one of the following: "Thriller," "I Got This Feelin'," "Fireworks," and "How Far I'll Go."

On Tuesday, we started having small team swim heats during our afternoon swims. All four teams swam against each other to earn points. The points went towards the final team score that was revealed on Friday!

Wednesday threw us for a loop with the unexpected severe weather. Although we couldn't get into the pool or follow all of our normally-planned activities, we managed to keep everyone engaged in some fun games and performances. There was a special bonus Magic Show by Gary Kantor and a special performance by Brian Wismer, a motivational and educational entertainer.

It was a pleasure to meet so many of you on our Expos Late Night! A wonderful night of bonding between campers, families and Tamarak Staff! Thank you to those of you who could make it out to such a fun evening!

Have a great weekend!

Jonathan
