

The Expo Express

Week 5 July 17 - July 21

Our Wonderful Week

Dear Expo Parents,

My, how week five has flown by! This week we had two themes: Nature Week and Tie-dye Week. We celebrated Nature Week with a special scavenger hunt opened to the whole camp. Campers were encouraged to search everywhere both high and low for eighteen golden nuggets. These nuggets were hidden everywhere, for example, among walking paths, in trees, and in wild grasses. This year, we had a couple of Expos who were lucky enough to find a couple of the nuggets before some of the older campers.

We also celebrated Tie-dye Week by taking some plain white Tamarak T-shirts and adding some new colors to them! Be sure to remind your son to help brighten up the camp next Wednesday, July 26th by wearing their new Tie-dyed shirt.

During this week, the Expos were given a telephone challenge. As we played the telephone game within our Expo groups, we had a head staff member observe their behaviors and teamwork. I am proud to tell you that the whole Expo group received a gold card for the teamwork they demonstrated throughout this challenge (check out the picture on the back). They all did a fantastic job and deserved this recognition in front of many of the other campers at Tamarak!

Next week is Carnival Week. A fun week is planned and I'm sure you will hear all about it as the week goes on! Have a great weekend!

Jonathan

HIGHLIGHTS OF OUR WEEK

- Challenge Water Activities! The campers had a blast partaking in a wet and wild water game that focused on teamwork.
- WHOLE EXPO GROUP GOLD CARD!!!
"Awesome Teamwork!"
- Individual Expos finding some Golden Nuggets!

REMINDERS

- Week 6 – Carnival Week!
- Please send your son's swim suit back on Mondays. Some labels have been coming, so please check to be sure your son's suit is labeled.
- Wednesday, July 26 – Wear Tamarak Tie-dye shirt
- Friday, July 28 – Carnival Day. Wear a costume. Camp is closed to visitation until 11:30AM.

If you have any questions, please call the Camp Office at 847-634-3168
