Week 8 August 7 - August 11

Our Wonderful Week

Dear Parents,

Week 8 has come and gone which means that the 2017 Tamarak Summer season is over. Being my first year at a camp, I am amazed at what Tamarak has to offer and just how much we were able to accomplish in just eight weeks! I witnessed so many boys strengthen their personal confidence as well as develop a stronger sense of teamwork.

We watched campers who wouldn't put their heads under the water end with a love of diving for sinking toys. We saw campers who started out as decent swimmers improve their form getting them passed or closer to passing a swim level! We observed boys go from dribbling a ball down a court or field by themselves only to be taken away by a defender, learn to pass it and work as a team to be successful. It is a great feeling to look back and see the improvements made by these young boys.

The special event of week eight was the Boy/Girl Swim Meet. All boys had their last swim lesson on Tuesday. Wednesday morning we held swim races, pitting the Expos against the Eagles. The boys did quite well and we had racers get anywhere from first to fourth place!

It has been a pleasure to get to work with your children this summer and I look forward to seeing them at Tamarak in the future! Have a wonderful school year,

Jonathan Wepler and the Expos Counselors
