

The Expo Express

Week 1 June 19 - June 23

Our Wonderful Week

Dear Parents,

It has been a pleasure to meet your child this week. My name is Jonathan Wepler, and I am the Unit Leader for the Expos. This is my first year at Tamarak and I am excited to spend this summer connecting with your child. This year our theme is Pokemon. Each Expo group will be a different pokemon team. The groups are Pikachu (EB1), Alakazam (EB2), Snorlax (EB3), Blastoise (EB4) and Charizard (EB5). We have 12 awesome counselors working hard every day to make each day at Tamarak memorable for your child.

This week we have experienced many different activities such as Taekwondo, Golf, making silly putty in science and most of all swimming. We have put your camper into a specific swim group for his level. Swim progress reports will be coming home this week. The reports will be written by your child's swim counselor. They will provide information regarding what we have worked on and the progress that your child has made. We hope that each camper will be able to advance to the next level over the course of this summer. We are looking forward to an awesome summer session with your child.
