Week 7 July 3 - August 4

Our Wonderful Week

Dear Parents,

What an amazing Olympic Week we have had! Week Seven was full of activities that helped our team, France, get points. We showed good sportsmanship throughout the week by cheering on not only our team, but the opposing teams as well. We had such a fun time at Balloon-a-thon on Wednesday, during which we were collecting balloons to get points for France. Overall, it was an exciting week, filled with Tug O' War on the Athletic Field, learning about insects in Science, and healthy competition. We cannot wait to see what the rest of camp has in store for the Stingray family!

Sincerely,

Ben, Nicole, Abby, and Conor
