

The Munchkin 2 Message

Week 5 July 17 - July 21

Our Wonderful Week

Dear Parents,

Happy Nature Week!! This week was such a blast! We loved having new Munchkins join us for the second 4 weeks of camp! Munchkin late night was so much fun. We loved spending extra time with your campers and playing around camp. Ice cream sundaes were such a sweet end to a great Monday! This week we went fishing for surprises and played "Fishie, Fishie in the sea, do you have a surprise for me?" We had so much fun singing "Take Me Out of the Bathtub" at line up every morning.

We have been having a blast at Tamarak so far this summer! We are so excited for weeks 6, 7, and 8!

Have a great weekend!

Marissa, Taylor, Amanda, Weston, and Sean
