

The Munchkin 5 Message

Week 5 July 17 - July 21

Our Wonderful Week

Dear Parents,

The Super Sea Turtles celebrated all things nature this week at Tamarak. During science with Victoria, we learned about the Earth's crust, how mountains are made and how volcanoes erupt. At Arts & Crafts with the help of our A girl mentors, we made some vibrantly colored birds of paradise. This week at Tae kwon do, Adam taught your Turtles the art of self-defense by having us practice our high, mid, and low blocks. All Munchkins also had time to go *fishing* at camp, but rather than *reeling-in* a fish each of them were given a little prize to take home. During Munchkin music with Marci and Andy, we sang "Take Me Out of the Bathtub", "Three Green and Speckled Frogs and "Three Little Ducks". At golf with Kevin we had the chance to practice our driving and chipping on Tamarak's mini-golf course. It was another incredible week here at camp!

Have a great weekend!

Oliver, Maryam, Emily, Taylor and Chad
