

The Munchkin 5 Message

Week 7 July 3 - August 4

Our Wonderful Week

This week, all of Tamarak was overcome with Olympic pride and sportsmanship. Your Super Sea Turtles helped the great nation country of Argentina go for the gold by participating in a relay race on the athletic field. In the pool, we took part in the *penny-hunt*, trying to collect as many pennies as we could in one minute. On the basketball court, we made as many baskets as possible in two minutes trying to earn as many points as we could for our country. Wednesday saw the whole camp take part in the Great Tamarak Balloon-a-thon. Each country tried to collect as many balloons as possible and returning them to their team's goal while trying to avoid "hunters" played by our fabulous lifeguards who were roaming around camp looking for balloons to pop. On Thursday, we helped team Argentina sing our team cheer and song and on Friday, your Turtles had the chance to cheer on our amazing counselors during the tug-of-war as well as participate in the first ever all Munchkin tug-of-war. All Munchkin groups capped off the week by leading the Tamarak Olympic closing ceremonies, waving our Olympic torches and the necklaces that we made at arts and crafts. It was another outstanding week at Tamarak!

We hope everyone enjoys the weekend!

Oliver, Emily, Maryam, Taylor and Chad

HIGHLIGHTS OF OUR WEEK

- Practicing our kicks and punches in Taekwondo.
- Participating in the penny hunt in the pool.
- Representing team Argentina all week and taking part in the Great Tamarak Balloon-a-thon.
