

The Munchkin 3 Message

Week 1 June 19 - June 23

Our Wonderful Week

Camp has begun with cheers and excitement! This has been an exciting week for all Wonderful Whales Munchkins as they got to know their counselors and each other! One of the best things about camp is getting to see old friends and make new ones! At morning lineup throughout this whole week, we sang "Tamarak Spirit". We worked on a Wonderful Whales group poster that helped us share some of our favorite camp experiences. At Arts and Crafts, we created masterpiece letter T's for Tamarak! Thursday morning, we got to take part in the Great Tamarak Tree Hunt. We got to race the other munchkin groups to collect the most Tamarak trees that were hidden around Munchkin lineup. At Music with Marci and Andy, we sang "Willoughby Wallaby Woo", the "Tamarak Spirit" song, and the "T-A-M-A-R-A-K" song! The Munchkins also golfed with Pat, and played racing games with Kevin on the athletic field, learned some Munchkin Spirit cheers and special movements with Kim, practiced dramatic art movement with Justin, and practiced many swim skills! The end of our week was highlighted by our first all camp lineup where we got to display our Wonderful Whales flag and favorite camp experiences poster!

We had such a great first week, and we hope you enjoy your first official summer weekend!

Janelle, Jessica, Riley H., Tals, Riley T.
