

The Munchkin 4 Message

Week 1 June 19 - June 23

Our Wonderful Week

Dear Parents,

The Smiling Starfish had a great first week at camp! We were able to meet new friends and learn some new camp songs. We have learned that all of our friends love to play games in the pool and on the athletic field. This week we have been learning the song "Tamarak Spirit" every morning at lineup. At dance with Marz, we were able to learn some silly but fun dance moves. We also learned how to put cool designs into clay during Ceramics. The counselors of the Smiling Starfish can't wait to see what the next few weeks of camp entail. We have enjoyed getting to know each and every single camper this week.

One thing the counselors can say about the campers, is that the Smiling Starfish really know how to smile everyday! 😊
