

The Bluejay Bulletin

Week 2 June 26 - June 30

Our Wonderful Week

Dear Parents,

We have had another fabulous week here at Tamarak, as this week was **Magic Week!** Friday, the girls got to see some really amazing magic tricks, that blew their minds! The Bluejays have also been practicing their Tamarak Idol dances for next Friday! Since our theme is Bluejay Jungle, we have chosen songs that relate to animals and the jungle, such as **“Roar,”** by Katy Perry, **“Eye of the Tiger,”** by Survivor, and many more! This was such a **fun filled** week as we also got to go on our first **water park outing** to Wheeling and had our **first sleepover!** The girls loved going down all the slides at the waterpark and splashing in the splash pad with their counselors and friends! At our sleepover, we had an extra swim, ate dinner in the pavilion, decorated pillowcases, watched a movie, and played the screaming game, which many loved! I can't forget to mention the best part, which was eating Dave's famous pancakes for breakfast! I have loved seeing the smiles on everyone's faces this week as they are trying new things, making new friends, using teamwork and problem solving, and one of my favorites, supporting and cheering on their peers during various activities! We have had such a **blast** this week and can't wait for next week! I hope you have a fabulous weekend!
