Week 2 June 26 - June 30

Our Wonderful Week

Dear Parents,

We have had another fun and exciting week at Tamarak Day Camp! The girls carried their CARDINAL pride to and from each activity, regardless of rain and constant changes. Despite the storms, the girls played games, learned about pool safety, and continued to form relationships with other campers and counselors. I am incredibly proud of the CARDINAL girls and the positive example they set around TAMARAK!

The CARDINALS are also really loving Archery, which is a new special for them this year! As always, the girls are eager to learn and are actively participating in this new activity. It seems to be a favorite amongst the campers! Beyond the activities at camp, the girls truly enjoyed the Athletic Outing on Thursday and showed their enthusiasm both on the bus and throughout their time at Butterfield School. They played games in the gym and outside, while enjoying a snack and singing songs! I think it is safe to say that the girls are excited to go back each week!

It has been an amazing summer so far and I look forward to many other fun weeks at TAMARAK! Again, I am always here to help or listen if there is ever a concern.

HIGHLIGHTS OF OUR WEEK

- The highlight of Week 2 for the CARDINALS was playing games and continuing to get to know other campers and counselors! While the rain changed the schedule quite a bit, it also provided the girls with an opportunity to have fun and form new friendships!
