

The Daily Dodger

Week 2 June 26 - June 30

Our Wonderful Week

What a week!

Despite the weather, the Dodgers had a great second week! While campers had fewer opportunities to go swimming, the Dodgers were still able to participate in many great activities. The pool staff even took the opportunity to teach campers pool safety.

The Dodgers had their first all group outing to Butterfield School. Campers engaged in many games and activities focusing on teamwork and following directions.

In science, the Dodgers learned about freezing and melting points of liquids. As part of Magic week, the campers got a special magic show in addition to their regular magic lessons where this week they learned card tricks. Ask them to show you!

Please note swim reports will go home on Monday. Enjoy celebrating your campers progress!

HIGHLIGHTS OF OUR WEEK

- Ask your Dodger to show you the yoga moves he has learned.
- Campers are making pinch pots in cermaics
- Dodgers will have their second Butterfield outing on Monday.

REMINDERS

- Bring a bathing suit back to camp on Monday. There is camp this Monday, so please wear red, white and blue!
