

The Expo Express

Week 2 June 26 - June 30

Our Wonderful Week

Dear Parents

Week two is in the books and what a week it has been. We did the best we could and had a lot of fun despite the cool or rainy weather. I hope that your child has shared with you all of the fun things they have been partaking in and learning. If they have not, please take a look at the "HIGHLIGHTS FROM OUR WEEK" section below and ask them about some of the topics.

Although we didn't get to swim as much as last week, we stayed very busy! During the times of inclement weather, your son participated in extra swim safety lessons, team activities and games. As the Unit Leader, it has been great to oversee what has been going on throughout the two weeks. The growth that I have seen among the boys and counselors has been great. It is a neat perspective to see the boys learning to work with one another and grow with the help of the counselors.

As we move into week three, we will continue to learn to work together and work hard through exciting and motivational activities. Remember that we do not have camp on Tuesday in observance of the Fourth of July.

Have a great Fourth of July!

Jonathan Wepler

HIGHLIGHTS OF OUR WEEK

- **MAGIC** – Your son has learned a new magic trick and optical illusion.
- **ARTS & CRAFTS** – Your son has been working on clay pinch pots and clay snails.
- **SCIENCE** – Your son has learned a bit about phase changes (the act of water turning to ice or vice versa). They had a fun activity challenge called "Fishing For Ice."
- Special magic performance for "Magic Week."

REMINDERS

- Monday is "Stars and Stripes Day." Wear red, white and blue.
- No camp on Tuesday for the 4th of July. Enjoy and have a great holiday!
- Next week is "Tamarak Idol Week." On Friday, camp will be closed to visitors until 11:30 am.
- Please continue to label your child's clothing.
- On colder days, your child might use their extra warm clothing. Please return it so that we can continue to keep them feeling comfortable.

If you have any questions, please call the Camp Office at 847-634-3168

The Expos' Week in Pictures

Left: EB1 – “Fishing for Ice” Science Lesson.

Right: EB2 – Working with clay in Arts and Crafts.

Right: EB3 – Trying on Life Jackets during a pool safety lesson.

Below: EB4 – Enjoying our snack after a swim.

Below: EB5 – “Don’t be alarmed! This is a test, this is only a test.” This picture was taken during a pool safety lesson.
