Week 2 June 26 - June 30

Our Wonderful Week

Dear Parents,

Week 2 was wonderful! We learned so much more about our new friends through all the different activities that we played. This week's theme was Jungle Week. We played some games like Pumbaa Pumbaa Simba which is just like Duck Duck Goose. We also played Brown Bear, Brown Bear, what do you see? Something else we played was guess the jungle animal and jungle animal relays. All of the Munchkins went on a Jungle Animal Hunt on Friday Morning. We are so excited to see what other fun things will take place in the upcoming weeks!
