

The Astro Post

Week 2 June 26 - June 30

Our Wonderful Week

What an awesome week it has been to be an A-boy. The Astros have buzzed about camp all week and participated in some really fun activities. Over at Nature, the campers learned about all the plant life around camp and discovered the power of water at the sand table. At Challenge, the Astros put on their thinking caps and worked as a team to accomplish this week's mission. Meanwhile, over at Archery, the Astros have been practicing their skills and showcasing their top marksmanship skills.

This week also marked the first time in Tamarak history that the A-Boys were able to go on TWO outings in one week. The luckiest kids at camp enjoyed the fastest slides, the laziest rivers and all the fun you can have at a splash park. Going on two outings also meant the campers enjoyed two days of pizza, making the Astros Double Winners!

Additionally, the Astros took home the distinguished Golden Broom award for having the cleanest clubhouse. This meant the Astros flag was proudly flown under the Stars and Stripes each day on the flag pole at lineup.

Stay tuned for more fun adventures with the A-Boys at Tamarak!!!
