

The Trailblazer Bulletin

Week 6 July 24 - July 28

Our Wonderful Week

Dear Parents,

The third term of Trailblazers has flown by and these sailors have been overwhelmed by how much fun we've had learning at Sheridan Shores Sailing School. We've all increased our sailing skills and knowledge.

Although we were unable to return to Feed My Starving Children this week, the Trailblazers more than made up for it by beginning our book drive for Bernie's Book Bank as well as shopping for food to donate to the Mundelein Food Bank. We are convinced that between all of our Tamarak families we can reach our goal of 1500 books for Bernie's Book Bank.

Again we enjoyed another great outing with present and future Trailblazers in the Astros and Alouettes on Thursday. What a week 6!
