## Our Wonderful Week

Dear Parents,

Hi Alouette families! My name is Jen Bertram and I am the Unit Leader for the Summer of 2018! I am so excited to be back at Tamarak for another fun-filled summer with the A-Girls! Each week I will be writing a newsletter about the week the A-Girls had.

Starting day 1, each camper came into camp with a big smile and an enthusiasm that swept the whole camp off its feet. There are new friendships blossoming between each camper. The girls got to know each other by making friendship bracelets in Arts and Crafts, playing a very fun and energetic name game in dance and that is to name just a few. When it rained on Tuesday, each and every A-Girl set a great example to the younger campers by acting calmly and keeping their heads held high. Even though we were in the clubhouse for a little bit of Tuesday morning, the Alouettes made the most of it by playing a few games and getting together to make some pictures to give to the counselors! In just the first week, the campers have started making progress in their swimming abilities. They are eager to get into the pool every day so that they can keep learning and advancing.

There were so many great things that happened this week at camp that I couldn't fit it all into one newsletter! The girls had such an amazing time this week and it has really set the tone for the rest of the summer!

Looking forward to another great summer!

Jen Bertram, Alouette Unit Leader
