

The Bluejay Bulletin

Week 1 June 18 - June 22

Our Wonderful Week

Dear Parents,

My name is Tasha and I am the Bluejays' Unit Leader! Each week, I will write a newsletter to keep you updated on what fun and exciting things are happening at camp! We have had a fabulous first week! It was Tamarak Spirit Week and the girls have come to camp with a smile on their face, wearing their Tamarak gear, and ready to start the day! We have had many girls who loved attending horseback riding and the golf outing. We will begin our athletic outing next week! They have had a blast getting to know the girls and counselors in each Bluejay group, and the Tamarak staff. At the beginning of the week, we got to go to each optional activity--Athletics, Dance, Fine Arts and Nature--to get a glimpse of what the girls could be doing for the next four weeks. The girls then gave me their top two choices and found out which optional they will be attending. Along with optional activities, we also participated in many different activities including the following: Challenge, Science, Arts & Crafts, Justin jump start, KidFit, Athletic Field, Nature, Archery, and so much more! In swimming, the Bluejays were placed into their swim groups. In these groups, the girls began to learn skills such as breaststroke, elementary backstroke, front crawl and more. The swim reports will be sent home on Fridays of weeks 1, 3, 5, and 8. We are looking forward to a fabulous summer!

PLEASE NOTE: PICTURE DAY IS TUESDAY, JUNE 26TH. PLEASE WEAR YOUR YELLOW TAMRAK OUTING SHIRT.

HIGHLIGHTS OF OUR WEEK

- Ask your Bluejay about the new B-girl cheer we learned along with other Tamarak songs!
- We got to pick our optional choice for the next four weeks!

REMINDERS

- If your camper used her extra clothes on our rainy days, please make sure to bring them back!
- June 26th our first water park outing to Hidden Creek Aqua Park!
- June 27th- Overnight

Bluejays' Week in Pictures
