

The Munchkin 3 Message

Week 1 June 18 - June 22

Our Wonderful Week

Dear Parents,

Welcome to Tamarak and Munchkins Group 3! My name is Clare and I am the group leader. This past week, I have enjoyed getting to know your sons and daughters. This week we have enjoyed going swimming in the pool, making Tamarak trees at arts and crafts, learning about poison ivy in nature, having lots of fun with the athletic staff playing different games, and eating lots of popsicles. In addition, we have enjoyed playing on the playground.

Despite all the rain, we had a special dance party with Alyssa and an interactive show in the gym with Wiz. It was a great first week. I look forward to making more memories over the course of the whole summer.

Thanks,

Clare
