

The Munchkin 4 Message

Week 1 June 18 - June 22

Our Wonderful Week

Dear Parents,

What an amazing first week of camp it has been for the Finding Munchkins! This week, we got to meet and to know all of our new friends and counselors. This week was Tamarak Spirit Week and we learned the Tamarak Spirit song and other fun Tamarak songs that we sang together. In arts and crafts this week, we got to play with clay and make our Tamarak trees out of clay! We had a good first experience with Kid Fit and went through a tough obstacle course. We danced our excitement and played some freeze dance. We learned a lot of new swimming skills and can't wait to go swimming every day. We also learned how to hold a golf club and hit the golf ball towards the targets. On Thursday we went on a Tamarak tree scavenger hunt and had a lot of fun looking for all the Tamarak trees.
