

The Trailblazer Bulletin

Week 1 June 18 - June 22

Our Wonderful Week

Salutations from the Tamarak Trailblazers! Matt, Brie, Brad, Naomi and Ras are all PUMPED to be in our new Trailblazer Tent where we can best accommodate this latest camper class!

We are so excited to get the 2018 summer started, and boy DID WE.

Monday was HOT, but the Trailblazers kept their cool by rolling a bunch of strikes and spares at Bowlero of Buffalo Grove. We may have won a prize or two in their arcade as well.

Also, we began our first specialty exploration at the Deerfield Park District Golf course where started or updated our learning of the basics of driving, chipping and putting. Our rookies and seasoned veterans appreciated the expertise of Trina and her staff of golf instructors.

Our Trailblazer Leaders program got off to another great start with our campers interested in becoming Tamarak Counselors interacting with our Doves and Dodgers in a variety of awesome activities such as Spirit, Yoga, Drama, Nature and Swimming!

Our first Trailblazer service project went amazingly as we shopped, made and delivered 64 lunches to the clients at PADS of Lake County.

And finally, we were blessed with weather that allowed us to have a terrific time at Vernon Hills aquatic center where we pretty much had the place to ourselves.

HIGHLIGHTS OF OUR WEEK

- Vernon Hills Water Park
- Making lunches for PADS of Lake County
- Bowlero

REMINDERS

- Please remember to send in outing permission slips.
- Bring water bottle every day.
- Tuesday, June 26th is Picture Day. Please wear your green Tamarak outing shirt.

If you have any questions, please call the Camp Office at 847-634-3168
