

The Daily Dodger

Week 3 July 2 - July 6

Our Wonderful Week

Dear Parents,

The third week of camp went by in a flash. Even though we lost a day due to the holiday, we still managed to pack a ton of fun in! I hope everyone had a great holiday!

This week, the athletic staff focused on soccer to go along with the World Cup. The Dodgers had their second athletic outing to Butterfield School this past Tuesday. Campers rotated through three stations, focusing on dribbling, passing, and shooting. Then campers had the chance to play soccer games. Ask your camper to share some of the soccer skills we have worked on this past week.

Campers continue to work on their swimming skills. Remember, you can come and watch your Dodger swim at camp. Just be sure to check the schedule.

A new and very popular activity for the Dodgers is Dance. Our campers have worked so hard that they got to perform in Tamarak Idol. They did outstanding and had a blast!

In Science, campers learned about insects. They were able to touch (if they wanted to) various insects such as meal worms and earth worms.

HIGHLIGHTS OF OUR WEEK

- Outing to Butterfield School
- Stars and Stripes Day
- Guest performance in Tamarak Idol!

REMINDERS

- Please remember to bring back a swimsuit on Monday.
- Sign up for the D boys late night on July 30.
- Remember to wear your Tamarak Spirit wear on Wednesday's.
- Next week is Swim-o-Rama
