

# The Eagle Eye

Week 3 July 2 - July 6

## Our Wonderful Week

Dear Parents,

I hope everyone had a great 4<sup>th</sup> of July week! On Tuesday, the Eagles showed how patriotic they were by wearing red, white, and blue. The girls learned how to hold a club during golf and aimed for targets. During science this week, we made some silly putty using Elmer's glue, food coloring, and borax. To beat the heat, we played a game of drip, drip, drop in our swimsuits!

Friday was Tamarak Idol. Although the Eagles do not perform, we were able to watch the older kids and then had a little dance party with all of our friends!

Next week is Swim-o-Rama! Be ready to cheer on everyone!

Your Eagle Unit Leader,

Taylor

## The Eagles' Week in Pictures

How Patriotic are we!?

Golfing is hard work!

Science is always fun. Especially when we get to be messy while making silly puddy!

The Eagles love their counselors!
