

The Expo Express

Week 3 July 2 - July 6

Our Wonderful Week

Dear Parents,

What a beautiful week we had at Tamarak for week three. Even with the Fourth of July splitting the week up in half, we had some great pool time. It has been nice to watch and work with all the boys as they make wonderful progress in the pool. Our recreational swim time is always a lot of fun too!

The other activities we participated in throughout each day were filled with some great new experiences. As always, we learned new magic tricks and illusions. Please encourage your son to show off his newly acquired skills with the props he has been given. There was a dance off this week between the Expo groups as well with some cool new moves. Please ask your camper to show you how to “bop it,” “twist it,” “slide it,” and “hit it.” A new activity for the Expos this year is yoga. Yoga has been a wonderful activity for the Expos to calm themselves down and relax during a long day at camp. Through modern story telling, students demonstrate yoga positions and moves.

I hope you had a great holiday this week! Have a nice weekend,

Jonathan

HIGHLIGHTS OF OUR WEEK

- Tuesday – Stars and Stripes Day! The camp looked great with all campers decked out in red, white and blue!
- Tamarak Idol – Great job to the older campers in their performances!
- GOLF: Your son has been working on driving, chipping and putting.
- JUMP START: Your son has been working very hard at team building activities.

REMINDERS

- Next Thursday, July 12 – Expos Late Night! 5:00-7:00PM
- Next Week’s Camp Theme – Swim-o-Rama Week.
- Please remember to wash swim suits and send them back each Monday.
- Please remember to label clothing with your child’s name. I have seen some tags fall off.
