

The Munchkin 1 Message

Week 3 July 2 - July 6

Our Wonderful Week

Dear Moana Munchkin Family,

It was a wonderful Fourth of July week! The song of the week was Yankee Doodle Dandy, and to hear the munchkins sing this song with all of the Tamarak spirit they could muster was heart-warming. We also spent much of the week preparing for our parade that kicked off Tamarak Idol on Friday. We made noise-makers, necklaces, and more. We learned about earthworms in nature and made putty in science. Swimming was, as always, a welcome addition, especially because it allowed us to cool off on these hot days! Seeing your campers play in the water and have fun with their new friends was incredible. Until next week! We hope you had an amazing Fourth!

Warmly,

Ben, Ashley, Patrick, and Jessa
