

The Bluejay Bulletin

Week 4 July 9 - July 13

Our Wonderful Week

Dear Parents,

This week has been SPLASHTASTIC! We have had so much fun playing games, swimming races in the pool, singing and cheering for our Swim-O-Rama teams. There were four teams that the girls were put into: Whales, Penguins, Sea Lions, and Gators. Each team had their own song and cheer to memorize and perform in front of the camp. The teams were awarded points throughout the week for spirit and sportsmanship.

While this was exciting at camp, we also got to go off camp to Wheeling Water Park! The girls loved going on the diving board, drop slides, tube and body slide. They also enjoyed splashing in the splash pad and crossing the lily pads.

This was the last week at their first optional choice! The girls in the dance optional finished up their hip hop dance; the girls in fine arts finished painting their murals for the garden and those in nature have had the best time learning about compasses, working in the garden and dissecting owl pellets. Next week, the girls will get to tour of all of the optional choices again and pick which one they would like to attend for the next four weeks!

We can't wait to start looking for those golden nuggets next week, and wearing tie dye! Sadly, this week is some girls' last week, and we hate to say goodbye but we hope they have a great rest of the summer. We had an amazing last week with them, and the rest of the girls will miss them! We hope they have a wonderful school year and an even better rest of the summer! Can't wait to see you next year ☺
