

The Daily Dodger

Week 4 July 9 - July 13

Our Wonderful Week

Dear Parents,

It's hard to believe we are already halfway done with camp! Week 4 went on swimmingly for your Dodgers at Tamarak, and we are looking forward to a fun-filled second half of the summer!

This week was Swim-O-Rama at Tamarak, an all-camp swimming competition held each year in the pool. The campers and staff were divided up into one of four aquatic teams: Alligators, Sea Lions, Whales, and Penguins. At each swim, the campers participated in different types of races to try to earn points for their teams. However, swimming is not the only way to earn points in Swim-O-Rama! Each team also developed their own cheer and song, which they performed throughout the week, culminating in a performance in front of the entire camp on Friday afternoon. Only one team could win Swim-O-Rama, but with all that spirit and energy everyone had tons of fun!

HIGHLIGHTS OF OUR WEEK

- The Dodgers learned new moves to "Juju on That Beat" in dance this week. Ask them to show you!
- The campers also learned about the body this week in science. They got to inspect real animal parts and use a stethoscope and reflex hammer.
- Teamwork and problem-solving were key when the boys were put to the test at challenge. This week they had to work together to fill up a tube with water and get a ball from the bottom all the way up to the top. The only catch was, water was leaking out of holes in the tube!
