Week 4 July 9 - July 13

## Our Wonderful Week

Dear Parents,

This week was an absolute BLAST! Between SWIM-O-RAMA and our athletic outing, week #4 at camp was definitely one for the books. At the beginning of the week, each Dove was assigned to one of four teams: Sea Lions, Whales, Alligators and Penguins. Throughout the week, they learned their cheers and songs and got the opportunity to earn points for their teams through different games, activities, and for even having good sportsmanship! It was especially great to see all the Doves cheering for their friends on their teams throughout these activities. Since every Dove has been making such awesome swimming progress, it was very fun to watch them show off their new skills in different relay races and games in the pool. On Tuesday, we went on our second athletic outing to Butterfield Elementary School! We had so much fun playing new games and exploring their awesome playground. As always please feel free to call me at the camp office with any questions or concerns!
