

The Munchkin 1 Message

Week 4 July 9 - July 13

Our Wonderful Week

Dear Moana Munchkin Families,

Halloween Week was spectacular. On Friday, we went trick-or-treating...in summer! We walked around and saw every part of camp while we were collecting our candy. The cool thing about Halloween Week is that it was also Swim-o-rama week. At the end of the day, we met with our team (Sea Lions) and chanted our cheer and sang our song. The Munchkins were really excited to be part of this friendly competition! We also learned a new song in honor of Halloween week: The Wackiest Witch. In science, we learned about the organs in the body and what they do. We also had fun shooting baskets on the basketball court and singing Halloween songs in music. It was fun being part of yet another amazing week!

Warmly,

Ben, Jessa, Anna, Ashley, and Patrick

HIGHLIGHTS OF OUR WEEK

- We made goody bags in Arts and Crafts to carry our treats. Trick-or-Treating in July is always a blast!

REMINDERS

- Next week is nature week. We will learn about taking care of our world!
- Swim suits go home each Friday to be washed and returned on Monday. Thank you!
