

The Trailblazer Bulletin

Week 4 July 9 - July 13

Our Wonderful Week

Again, it's hard to believe that it's the end of our second session and week 4 already! The Trailblazers have had so many amazing experiences this summer and we're only halfway there!

The T Bizzles have had so much fun perfecting their new magic abilities and tricking their counselors as well as their parents. We'd like to personally thank Gary for giving us an experience and sharing his knowledge.

Unfortunately, our Trailblazer Leaders program with the Doves and Dodgers ended this week, but we made so many amazing connections with our younger campers and know the skills we learned will help us to become great Tamarak counselors some day!

For our community service project this week, we were fortunate enough to visit Feed My Starving Children of Libertyville where we helped pack almost 100 boxes and 58,000 servings of nutrient packed meals for people in Haiti!

Lastly, we returned to hallowed Camp Duncan for some amazing blobbing, boating, swimming, climbing, and S'mores by the campfire!

We are looking forward to sailing in session 3!
