July 18-20 Week 5

## Our Wonderful Week

Dear Parents,

The A-Girls have had a terrific week! This week was jammed pack with fun, from the amazing overnight to the outstanding water park outing and everything in between! This week's theme was Nature/Tye-Dye week. On Monday, Ralph hid golden nuggets around camp for all the campers to find. During our first activity we had not one, but TWO Alouettes found a golden nugget!

We continued the week with the second A-Girl overnight! The night was jammed pack with activities. The first activity was swimming! The girls had so much fun splitting into two teams and playing volleyball in the pool. For our craft all of the campers got to decorate a Tamarak headband! The A-Girls creativity never ceases to amaze me, the headbands turned out fantastic. We ended the night with the girls 'redecorating' the A-Boy clubhouse. They campers used silly string, streamers, and balloons to make the clubhouse much more pink and girly. The next morning we all enjoyed Dave's famous pancakes!

This week in Arts and Crafts the A-Girls made their tye-dye shirts. Our color this year is the fabulous color pink. We each rubber banded our own shirts to make them unique. Also in Arts in Crafts the girls made pet rocks.

There were so many great memories made this week at Tamarak and I can't wait to make many more!

Jen Bertram, Alouette UL

### HIGHLIGHTS OF OUR WEEK

- A-Girl Overnight
- Water park outing to Barefoot Bay
- Getting to mentor the munchkins

### REMINDERS

- On outing days have your camper wear their outing shirts and bathing suits
- Wednesday is Tamarak Tye Dye day! Have your camper wear their Tye Dye shirt!
- Next week is Carnival Week! Camp will be closed to visitation until 11:30 on Friday July 27

If you have any questions, please call the Camp Office at 847-634-3168
